## Coaching Philosophy

The camp staff is comprised of top high school coaches and NCAA players who are dedicated to the individual development of each camper and serve as great role models to the campers. We are an instructional teaching camp and take pride in the improvement of each camper that we see during the week. Players can expect to leave camp with better individual skills - from stick skills to shooting to defending. Campers will also develop a greater understanding of team play, learning the concepts to help make their team better. And don't forget fun. The GameBreaker Lacrosse Camps were designed to give young athletes the opportunity to work hard and improve in a fun, positive atmosphere.

We strive to ensure that the players are in a position to be challenged but not frustrated, contributing to significant skill improvement and a great overall camp experience. **Unless noted, camps are for ages 8-18**

## Cancellation Policy

A camp credit will be issued to any camper who must cancel prior to camp. The credit is transferable to another family member and it is good through 2011. Cash refunds are not offered.
