

## ADVANTAGE

Our camps were developed to provide young athletes with the opportunity to become better lacrosse players by learning from the best coaches in the game today. Since our inception in 2001, over 40,000 campers have attended our camps and improved their skills. Our staff is committed to the individual development of each camper.

Our goal at GameBreaker Lacrosse Camps is to help you keep improving through great coaching and healthy competition, in a fun environment. **This is the GameBreaker Advantage.**

## AGE AND ABILITY GROUPING

Campers in our programs are divided into appropriate age and ability groups. Each player is evaluated individually and grouped by age, ability, experience and size. As staff continually assess the players, a number of campers may change group levels during the course of the camp. We strive to ensure that the players are in a position to be challenged but not frustrated, contributing to significant skill improvement and a great overall camp experience. **Unless noted, camps are for ages 8-18**

## CANCELLATION POLICY

A camp credit will be issued to any camper who must cancel prior to camp. The credit is transferable to another family member and it is good through 2011. Cash refunds are not offered.
