Age and Ability Grouping

Campers in our programs are divided into appropriate age and ability groups. Each player is evaluated individually and grouped by age, ability, experience and size. As staff continually assess the players, a number of campers may change group levels during the course of the camp. We strive to ensure that the players are in a position to be challenged but not frustrated, contributing to significant skill improvement and a great overall camp experience. **Unless noted, camps are for ages 8-18**

Cancellation Policy

A camp credit will be issued to any camper who must cancel prior to camp. The credit is transferable to another family member and it is good through 2013. Cash refunds are not offered.
